

SUMMARY: The document below contains interrogatories which were administered on 24 December 1583 to Philip Howard (1557-1595), 13<sup>th</sup> Earl of Arundel, by Henry Carey (1526-1596), 1<sup>st</sup> Baron Hunsdon, and Sir Walter Mildmay (1520/1-1589). The proximate cause of Howard's interrogation appears to have been the flight to the continent of Oxford's sometime friend and later bitter foe, Charles Arundel (d.1587), in the company of Thomas Paget (c.1544-1590), 4<sup>th</sup> Lord Paget. For Philip Howard's answers, and further discussion of the interrogatories, see TNA SP 12/164/53, ff. 90-1.
